## Fight Crime by Participating in National Night Out

Dear Friend,

As your representative in the State Assembly and a member of the Assembly Public Safety Committee, I am constantly working to make California a safer place for all of us.

While legislative efforts are important, there is much that we as a community can also do to reduce crime. One way is to participate in local observances of National Night Out.

National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community and provides a great opportunity to bring police and neighbors together under positive circumstances.

On August 4th, from 7 p.m. to 10 p.m., neighborhoods across the nation host block parties, festivals, parades, cookouts and other various community events aimed to spend the evening outdoors with your neighbors, local law enforcement and first responder agencies to learn about how to make our neighborhoods safer and better places to live.

National Night Out is sponsored by the National Association of Town Watch and will involve at least 15,000 communities across the U.S.

See below for a list of [National Night Out events in our community](#).

### **Huntington Park National Night Out**
